

UNIQUE & OUTSTANDING

Every wine on our list is truly spciale, but these wines are special in very specific ways. Each offers tremendous price for value and a natural affinity for the flavors of the menu. Unique & Outstanding is code around here for anything that is so delicious, so impressive that you have to stop and share it with someone immediately. It started with the chef; qualities he holds in high regard, and now we share it with you.

PINOT NOIR

This sensual and charming grape produces some of the most ethereal wines in the world, and varies greatly depending on where it is grown. The wines from California are riper, higher in alcohol; while Pinot Noirs from Oregon are more restrained in stylethan they are in California, and are often lighter with higher levels of acidity.
